MEMPHIS APPEAL

NEWSPAPER SALES day of what newspaper men all concede

saying, on information we have re-

ried the Legislature with nothing to spare, and one majority. We shall the election. soon have the matter ascertained. The Pittsburg Post of Saturday says: 'The gigantic trands in Philadelphia will alone defeat Mr. PACKER if he is der ated at all. We have the most positive assurance that not less than counted in that city."

quest cannot be granted. It will be remembered that at the time the French cable was landed on these reteristics of the two men are insignated as a second of the comparative talents and personal characteristics of the two men are insignated as a second of the comparative talents and personal characteristics of the two men are insignated as a second of the comparative talents and personal characteristics of the two men are insignated as a second of the comparative talents and personal characteristics and personal characteristics are considered as a second of the comparative talents and personal characteristics are considered as a second of the comparative talents and personal characteristics are considered as a second of the comparative talents and personal characteristics are considered as a second of the comparative talents and personal characteristics are considered as a second of the comparative talents and personal characteristics are considered as a second of the comparative talents and personal characteristics are considered as a second of the comparative talents and personal characteristics are considered as a second of the comparative talents and personal characteristics are considered as a second of the comparative talents and personal characteristics are considered as a second of the comparative talents are considered as a second of the comparative talents are considered as a second of the comparative talents are considered as a second of the comparative talents are considered as a second of the comparative talents are considered as a second of the comparative talents are considered as a second of the comparative talents are considered as a second of the comparative talents are considered as a second of the comparative talents are considered as a second of the comparative talents are considered as a second of the comparative talents are considered as a second of the comparative talents are considered as a second of the comparative talents are considered as a second of the comparative talents are consi

stated by our antagonists. This is our prectability who agriculture of disfinite historic products and the product of disfinite historic products and the product of disfinite historic products and the condition of his fellow who had given it birth. The so of our white population, with a manifulity unparalleled in the history and following grounds: He said that the question of taxation had hitherto been a question "mot so much of fazation as of existence, and in building up the government of the State we had to look to that question." He admits that both the Executive and the Legislature demands have committed errors." But the says persistence in them would be worse, and that at the mext meeting of the Legislature he will "use endeavors in install into the offices the conditions of his election and resolved to petition or convert many errors which have been committed in the encuent of a multimore of install into the offices he conditions of his election and in building up the government of the State we had to look to that question." He admits that both the Executive and the Legislature are consistent on the conditions of his election declared when the fadiled party assembled in error, where the desiration scheme of the state of his election declared when the fadiled party assembled in the history and that at the mext meeting of the Legislature he will "use endeavors in the condition of his election declared when the fadiled party assembled in the history and the legislature are constituted by any one, and the product of the product of the inquitions to constitute and the Legislature when the fadiled party assembled in the story of the fadiled party assembled in the little products and the legislature and the legislatu taxation would produce sufficient rev- nor, was the author. taxation would produce sufficient revenue at a much reduced rate, which he will urge. As to the suffrage, he says it should be restored in a constitu-The possibility of a people's convention, but says "the whole question is in the hand of the possibility of a people's convention, but says "the whole question is in the hand of the possibility of a people's convention, but says "the whole question is in the hand of the possibility of a people's convention, but says "the whole question is in the hand of the possibility of a people's convention, but says "the whole question is in the hand of the possibility of a people's convention, but says "the whole question is in the hands of the people." He says he has not changed his views, but the same that the same that the same has been considered in the possibility of a people's convention, but says "the whole question is in the hands of the people." He says he has not changed his views, but were conspicuous in the possibility of a people's convention, but says "the whole question is in the hands of the people." He says he has not changed his views, but were conspicuous in the possibility of a people's convention, but says "the whole question is in the hands of the people." He says he has not changed his views, but were conspicuous in the possibility of a people's convention, but says "the whole question is in the hands of the people." He says he has not changed his views, but were conspicuous in the possibility of a people's convention, and in continuous proposition to the possibility of a people's convention. The possibility of a people's convention where the possibility of a people's convention, but says "the whole question is in the hands of the people." He says he has not changed his views, but were conspicuous in the possibility of a people's convention. The possibility of a people's convention the possibility of a people's convention. The possibility of a people's convention to the possibility of a people's convention. The possibility of a people's convention to the possibility of a people's convention. The possibility of a people's convention to the possibility of a people's convention. The possibility of a peo

tion the detention of Texas citizens as below the origin of the Dent Republican prisoners at various military posts in that State. These citizens have been selzed by squads of soldiers, upon the cit topers.

off to a military stockade, and penned up for indefinite periods, without the opportunity to consult counsel, and denied bail. In the pen at Tyler, for Democrats as Brown, and Barksdale,

THE AGE.

THE AGE.

State of all shades of past party allegiance, except Gen. Alcorn. Such old Democrats as Brown, and Barksdale,

Birmingham. example, there are now imprisoned and Featherstone, and Walthall, ar twenty-five men, some of whom have not more ardent advocates of its claims than such old Whigs as Yerbeen deprived of liberty for more ger, and Amos R. Johnston, and Wat than a twelve-month, and many of son, and Walter. Surely our friends them are not even informed of the in other States who are not familiar charges upon which they are held."
Is this the peace which Gen, GRANT promised when he exclaimed "let us the peace who have just in the peace which Gen, GRANT promised when he exclaimed "let us the peace who have just pained lately to see this assume that this age material age, and that a materi have peace," and which he now counterances by sustaining the Radical ter and Brownlow, and above all let stand that much-used and much examines by sustaining the Manner of the Memphis Appeal, one of Senter's most powerful supporters, reproach us in our hour of trial. True, which I very much doubt—its logical Alcorn's party promise universal suf-frage and amnesty, and doubtless Al-

Some of the Pennsylvania Radical journals are anything but satisfied with the result in that State, and, though they have barely escaped defeat, doubt whether they have gained anything at all. The Evening Telegraph (Radical) says:

"It is a discouraging fact, too, that in nearly every county in the State, outside of Philadelphia, the vote for Geary falls for behind that polled for Hartranft in 1868. A dreary succession of Republication sees is reported, and the preliminary returns indicate that Geory's whole amjority in the State of the Committee of Sixteen, or who approved its scheme, will vote for Alcorn. Every man who belonged to the Committee of Sixteen, or who approved its scheme, will vote for Alcorn. Every bening the suit of the suit cash with the mind of any sane, or moderately stand the mind of any sane, or ite a "I not exceed the Republican for Alcora. Every Loyal League in in the din Phile islphia alone, the State will vote for Alcora. Every er the vote in October, 1868. We negro in the State who hates a white
